

SECRET OF HAPPINESS: MAINTAINING GOOD RELATIONSHIP

Today if you are happy after you have financial stability and scored good marks in the examination, because you have good relationship with the people around you who matters to you; such as teachers, classmates, seniors and parents.

The reason you have good relationship with them as you are contributing to their life in some way. Contribution can be done in three different ways. They are through Physical (Money, Book, Car) resource, Intellectual resource (Knowledge) and Emotional (Love, respect) resource. Emotional resource plays the vital role in our lives but it's the most neglected area; as we have been emotionally beaten in the past in some course of our life. Therefore maintaining core values play a vital role in long-term relationship.

Contributions can be in 3 Different ways

- 1. Physical/Materialistic Resource
(Finance, Salary ,Car,)**

- 2. Intellectual Resource
(Knowledge)**

- 3. Emotional Resource
(Feel Good, Comfortable)**

We take decisions emotionally & justify them rationally/logically.
